Dear Colleagues,

“New Year – a new chapter, new verse, or just the same old story? Ultimately we write it. The choice is ours.” – Alex Morritt

We at Delta Publishing have made our choice. Here in your hands you will see our new publications for 2019 and the new look and feel of our product lines. Keeping the tried and true quality of our materials is of utmost importance. Likewise we want to expand in new product segments, in new media and of course help you and your students. We are convinced, as our claim says, that language matters and we are sure that good teachers can be even better with well thought-out materials made by experts.

Dive in! and discover the brand new summer course series for teens. Here we make a splash with incredibly flexible and easy-to-use materials. Dive in! is the first course written especially for summer courses – we didn’t just adapt another course and make it fit. You will see the difference.

Keep your Heads Up and find out about the novelties in our business course. Fresh and true to pertinent working scenarios, Heads Up engages you and your students in timely discourse and provides the material you really need, the material that matters.

These series provide interactivity through project work and motivating topics that spur your students on to produce real English. However, studies have also proven that avid readers have better language skills. So check out our new readers series for youngsters and teens/adults. Have your students read and their vocabulary and feel for language will certainly improve.

And in the age of digitalization – have we gone digital? Of course! Take a look at all of our new whiteboard materials, our DELTA augmented reality app and online teaching tips. You decide the degree of digitalization you need to make your teaching really matter. Should you have other needs and questions, do not hesitate to contact us. That’s what we’re here for.

Best regards,

Elizabeth Webster

Say Hello is a two-level course for four to five year olds based around two engaging young characters, Tom and Polly, plus their friend, Ben the Bear. At the heart of the course is an emphasis on child-centred activities, and the Ben the Bear plays a key part in these.

- Songs, chants and games provide opportunities for repetition, enabling children to try out language in a fun and secure way and encourage interaction and movement
- Basic phonics awareness is presented by Professor Bunny right from the start
- In Level 2 the alphabet A-Z and the numbers 1-20 are introduced
- Colouring, tracing and craft activities encourage participation and manual dexterity
- Ben the Bear encourages interaction and brings the characters of the book to life

FOR PUPILS:
- Child-centred activities include listening, speaking and pointing activities and provide a context for the language that is being delivered
- Songs, chants and games make the learning fun and interactive
- Opportunities for making, colouring and tracing allow students to play whilst learning

Playbook
- This is exactly what the name suggests – a book for playing and exploring the language in a fun and relaxed way
- Fun games, puzzles, drawing and colouring activities
- Craft objects to cut out and make

FOR TEACHERS:
Teacher’s Book
- Excellent support for teachers of all levels of experience and gives guided lesson plans with warm ups, games, extension ideas, home activity suggestions and teaching tips
- Interactive Whiteboard materials include animated versions of the songs and a variety of interactive exercises to reinforce and extend heads-up learning in a fun way

Build Up to IELTS

By Lewis Richards

Build up to IELTS is designed for students who want to achieve a score of 5.5–6.0 in the Academic IELTS exam. It covers all four parts of the IELTS exam in detail and aims to improve your students’ IELTS score in each section.

Special focus has been given to the Writing section, as this is the area that many IELTS candidates experience the most difficulty with. All the exercises in this book have been developed in the classroom, and the material has helped many IELTS students to achieve the scores they need.

- topic based
- common areas of language needed for the exam
- many tasks that directly practice the exam format

- Writing: from model essay in a step-by-step approach to perfect answers to various essay questions
- Reading and listening: develop reading and listening skills for IELTS with Skills focus exercises and Skills application exercises
- Speaking: practise strategies and listen to model answers recorded by native speakers to gain a good speaking score

All skills sections practise key grammar and vocabulary required to gain a good score. Each unit ends with a Pulling it all together section to review key language and skills and finish with a final Writing task.

Heads up Second Edition
Spoken English for business

By Mark Tulip with Louise Green and Richard Nicholas

Heads up Second Edition is a practical student-based business speaking course devised to meet the needs of in-work students and has been fully updated with new features. Heads up is perfect for short business English courses and is devised to meet the overriding need in-work students have to become operational in spoken English as quickly and efficiently as possible.

Heads up addresses the lack of time these learners often have and the need for streamlined materials targeting their needs. Heads Up helps students to successfully achieve speaking skills by providing careful preparation, personalised tasks, and consistent pronunciation practice.

Heads up gets right to the heart of the students’ needs and wishes, and the topics are a springboard to the students speaking about their own work contexts with the activities naturally stimulating and motivating learners by providing them with personalised tasks.

New additional downloadable material allows full-time students without work experience to complete an alternate version of the end Task/Follow-up.

Key features:
- Extensive listening and speaking practice with personalised tasks
- Regular pronunciation work, with attention to elision, stress and intonation
- Suitable for class use and some guided self-study
- All audio recordings on DELTA Augmented plus key language on flash cards

DELTA Natural English Series

A Handbook of Spoken Grammar
By Ken Paterson, Caroline Caygill, Rebecca Sewell

PRE-INTERMEDIATE – ADVANCED  CEFR B1 – C1 • 1 level

Spoken English is now recognised as having its own ‘grammar’ that is not covered in traditional language practice material. A Handbook of Spoken Grammar teaches learners to speak more naturally, using the patterns that native speakers use when speaking English.

- A Handbook of Spoken Grammar is divided into 20 units, each dealing with a spoken grammar strategy
- Each spoken grammar strategy is identified in context using conversational examples on the Audio CD and short written transcripts
- Each strategy is then explained in full before students go on to complete a range of thorough practice activities
- Designed for class or self-study use
- Perfect as a supplementary resource for spoken English exams

• topics are both academic and common to everyday life, thus accessible to all students
• contains exercises to practice vocabulary in the Academic Word List
• is supported by online resources consisting of a bank of longer texts and accompanying activities to help develop students’ reading and writing skills
DELTA Readers

Our DELTA Publishing Graded Readers give learners from primary ages upwards the opportunity to use the language they’ve learnt in class to explore different genres and “worlds”.

No matter how old you are, or how good at English you are, you boost your confidence and show you how much you really do know. The annotations will help you understand the most difficult words on the page as you read, and the activities will both help you build your language skills and reflect on the content of the book.

As a teacher, you can of course use the Graded Readers in class to motivate your students to read. Carefully written and graded according to the CEFR levels, our growing number of titles dive into the worlds of fairy tales, adventure, crime, mystery, history...

Our Graded Readers are intended to develop your students’ reading and language skill. We want to help you get them interested in reading and show them that language really does matter.

DELTA Primary Readers:
- Snow White, The Frog Prince, Hansel and Gretel, Rapunzel, Rumpelstiltskin, Sleeping Beauty, The Wolf and the Seven Little Goats

DELTA Readers:

DELTA Teacher Development Series

A pioneering, multi-award-winning series of books for English Language Teachers with professional development in mind, blending theory, practice and development.

The DELTA Teacher Development Series features some of the best and most expert authors in ELT, writing about fundamental areas of professional interest to teachers today. Each title in the series has three distinctive parts – A, B and C, which focus in turn on theory, practice and development:

- **A**: What do you need to know? What have others in the profession said or written? What is the latest information? How are things changing?
- **B**: What can you do? What practical activities can you carry out? How can you and your students get the most out of your teaching? How can you help yourself to help them better?
- **C**: How can you develop from here? What is the next step? How can you go further as a teacher in your own professional development?
